Business Services for Subscribers

Appreciation must be expressed for the number and the quality of the advertisements in this issue. Without the revenue derived from this source, the price of The Directory to its subscribers would be prohibitive. The advertisers in the front and rear sections have been carefully selected and meticulously scrutinized to assure that their statements may be accepted with confidence.

To be of greater service, the comprehensive ***Classified Buyers Guide*** contains 666 different product and service classifications. This enables one to find almost any product or service needed by church, school or institution as indexed in the thousands of source listings which follow.

Whenever you want to know "who makes it," "who supplies it," or "who can do it" — consult this *Buyers Guide* presented below for your greater convenience. Subscribers who make it a practice to study the *Classified Index* and the advertisements to which it is the key, find it quickly solves their problems of supply, equipment and maintenance.

There are firms who supply or seek to sell their products and services to the Catholic Church, who are not acceptable as advertisers in these pages. Hence, the advertisers listed below can be consulted and utilized without hesitation and with confidence.

Your mention of The Official Catholic Directory when responding to advertisements will be helpful to you as well as to the advertisers and the publishers.

We proudly present this extensive and comprehensive *Classified Buyers Guide* as an aid and tool for you Administrators.

Paschal Candle
(Benedictine Design)
Purissima Brand
100% pure beeswax

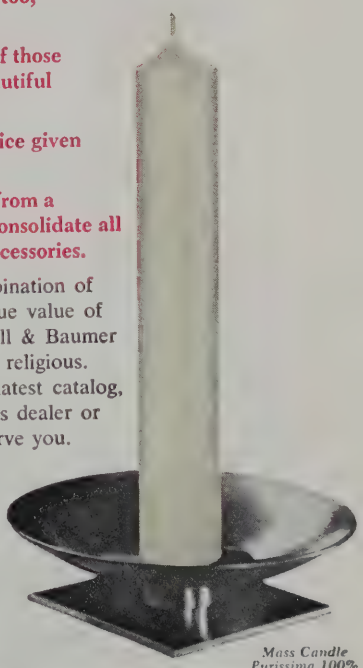
you can be SURE

You expect, of course, that Mass Candles, Sanctuary Lights, and other candles used in the Church will be made from ingredients of the highest possible quality.

To be sure that this is always so, you rely on the maker's integrity and his intimate knowledge of church candle needs. These qualities, too, become in a sense "ingredients."

So does the devoted workmanship of those who fashion the fine materials into a beautiful and liturgically appropriate product.

So does the dedicated personal service given by the company and its representatives.



So does the convenience of buying from a complete supplier, who enables you to consolidate all your purchases of candles and candle accessories.

Will & Baumer provides this combination of "ingredients." It is a measure of the true value of candles you buy. The excellence of Will & Baumer candles is well known to the clergy and religious. A complete selection is shown in our latest catalog, available on request. Your church goods dealer or W & B representative will be glad to serve you.

WORLD TRAVEL SERVICE

The Angelus to ring no more.

Unthinkable.

A world without the Angelus Bells is difficult to imagine. Yet in many Catholic parishes today, the dear sound of the Angelus cannot be heard. The explanations seem reasonable and plausible. "Ours is a modern church. We have no bell tower." "Everything is so expensive nowadays. We just couldn't find the money for a good cast bell." There is no need, no excuse for the Angelus to be stilled, thanks to Schulmerich® Bells and Carillons.

Modern Bells and Carillons by Schulmerich, world's acknowledged bell leader, are eminently practical, surprisingly inexpensive. So inexpensive that bells by Schulmerich, played automatically or manually, are within reach of any congregation, regardless of its resources. The architecture of the bell tower —or even total absence of a bell tower—poses no problem for modern Schulmerich Bells and Carillons. There is also a Schulmerich Bell appropriate for the grandest cathedral . . . and bells for every intermediate situation. Schulmerich/Marinelli, Europe's greatest cast bells, bear the Pontifical seal of approval.

From Rome to the most remote Catholic missions, over 9000 Schulmerich Bells are in service, many of them obtained through donation or bequest. Only Schulmerich has its own representative and its own factory trained technicians in every region of the country. Let us counsel you from our wide experience, in the various ways your church or institution can acquire a truly superior bell instrument.

SCHULMERICH AUTOMATIC BELL RINGING OPERATION

Pre-set controls lighten the pastor's burden. Easily set in advance to any desired ringing schedules, the bells automatically—

- Call to Mass
- Ring the Angelus
- Toll the Funeral
- Play Hymns
- De Profundis

Cathedral of Our Lady of the Annunciation, Boston, Mass., rings the Angelus on a modern Schulmerich Carillon.

ONE COMPANY HAS RAISED OVER ONE BILLION DOLLARS FOR CATHOLIC CAUSES IN THESE CHANGING TIMES

THERE MUST BE A REASON . . .

In the years since Vatican II, the most ambitious Catholic Fund Raising programs ever conducted were guided to success by Community Counselling Service. Two programs each achieved over forty million dollars. Hundreds of others have been completely successful.

Particularly since the Vatican Council many factors must be considered in fund raising plans . . . the role of laymen . . . emerging patterns of responsibility . . . new emphasis on service programs . . . the need for personal fulfillment . . . renewed concern for social justice.

Add to these the importance of Long Range Development and the prominence of tax factors in charitable giving.

In the 1970's, new fund raising challenges and, just as surely, new fund raising opportunities will be presented to the Dioceses, Colleges, Hospitals, Private Schools, and Parishes of America.

Community Counselling Service will continue to provide all that is effective and innovative in professional Fund Raising and Public Relations counsel.

Renovation of an old church need not violate the environment presented by good traditional architecture and appointments. In many cases existing elements can be used to advantage in the new arrangement. And when the new pieces that are necessary are designed and constructed with proper care and sensitivity, the result is a harmony that enhances the role of the church in the liturgy and preserves the feeling of continuity in the worshipping community.

The seats we're building now will still be in use in 1980.

After all, we think a seat should last the life of the bus. That's why we use such design ideas as seat frames of square tubing that's 60% stronger than comparable size round tubing.

And that's why we use special steel backs bonded to plywood (not screwed —bonded so they won't rattle). That makes the backs solid, rust-resistant, and ready to stand up to the wear and tear kids can give them.

To top it all off, we put a special epoxy resin coating on the top rail—the finest finish we can find to resist wearing, marring, or scratching.

Then we add in the solid comfort and safety people expect of a Superior seat. If you'd like the details on that, write us.

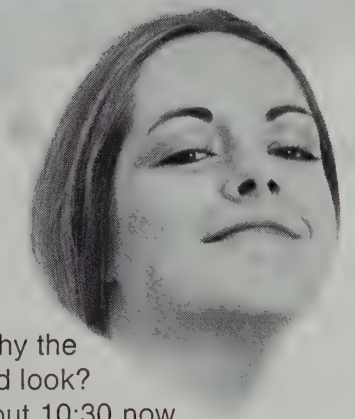
Folding letters by hand is a waste of time.

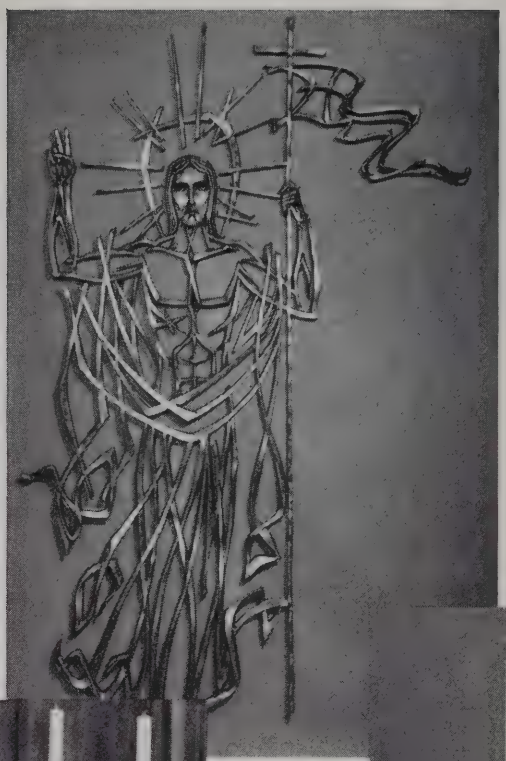


The new Gestetner desk-top folder does 9,600 letters an hour.

Folds any size sheet from 3″ x 5″ to 9″ x 17″. Any weight from 16 to 40 lbs. Makes 7 different folds. Counts. Delivers a stack of neatly, uniformly folded pieces. Works faster than 20 secretaries. Costs about two weeks salary of one.

Please make 10,000 copies of this ad by 5 o'clock.

Why the pleased look?
It's about 10:30 now.
First she'll finish the letters on her pad...and her coffee. Then into the Gestetner th-4 goes the tearsheet, and in seconds she'll have a duplicating stencil.



Onto the Gestetner duplicator goes the stencil. She sets the automatic counter, sets the speed for a nice, leisurely 120 copies per minute—if she were really in a hurry, her Gestetner would work a lot faster—and the job's done.

"Here they are. Anything else before I go to lunch?"

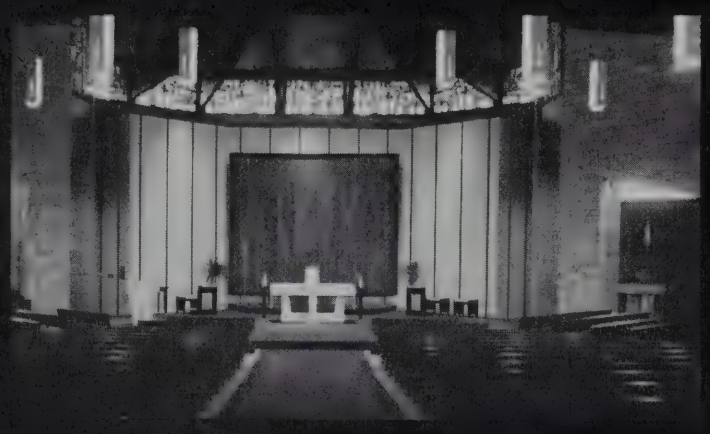
Stained Glass by Gabriel Loire, Chartres

For centuries the world has marvelled at the stained glass in the Cathedral of Chartres. Today, superb stained glass of astonishing warmth and depth of tone is still being made in Chartres by the modern glass master, Gabriel Loire. M. Loire has developed this great tradition in perfect harmony with the character of contemporary architecture. His uses of modern stained glass for religious purposes are almost infinite and include traditional figured windows, abstracts, mosaics, ornaments and even entire walls of thick, brilliantly sculptured glass and cement, all designed to achieve the essential function of this medium – the creation of an atmosphere of mysticism and spiritual climate that affects the soul and draws it closer to its Maker.

Outstanding examples of Gabriel Loire's work may be seen throughout Europe and the Americas with the largest single concentration being in the United States. If you are considering using stained glass for any purpose you will profit immensely if you first contact his American office, Loire Imports, Inc.*

Perfection in execution marks the master! The Cure d'Ars is an excellent example of sensitive design and expert execution.



The art glass is placed on a small anvil of tempered steel where final shaping of each piece is completed with a special hammer-headed chisel.

The internationally famous GABRIEL LOIRE works in his private studios at Chartres, in the shadow of the cathedral which has been a great source of inspiration for his masterful designs.

INSTALLATION TOOL

FACTS ABOUT SNOW GUARDS

Snow guards are a necessity in the winter months. Because tons of snow can collect on a roof overnight, no church, school or business can afford the risk of danger from snow slides to people, property, plants and the building itself. Pipe type guards do not do the job adequately. There is still the danger of snow collecting in one area with this type of guard leading to possible snow slides and the formation of potentially dangerous icicles and leaks. ZALESKI SNOW GUARDS hold the snow evenly over the entire roof. This allows the snow to melt gradually, run down the gutter and drain off by the rain leaders. All copper construction assures you that ZALESKI SNOW GUARDS will last as long as the roof. Installation is easy. No holes required on any type roof. Why worry about winter . . . get ZALESKI protection.

These are the people who will help you install the Baldwin C-600

When we sell you the C-600, you are also buying the services of a team of organ installation specialists. These men are engineers, musicians, and acoustical experts. They will go over your building thoroughly, and recommend an installation to fit the architectural design. An appraisal of the best acoustical arrangement will be made. They will make sure it's installed properly; that it sounds the way it should. We believe the Baldwin C-600 to be the finest electronic church organ built. For your sake—and ours—we want everything to be right. If you're thinking about the purchase of an organ, consider the Baldwin C-600. Consider, too, that the only way you may expect superior musical results from any church organ is to have it properly installed. And this is something you can count on from Baldwin. If you'd like more information on the C-600, write to: Baldwin Piano & Organ Company, P. O. Box 2525, Dept. OCD-5, Cincinnati, Ohio 45201.

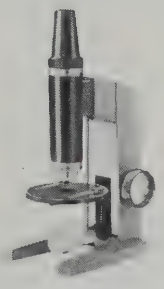
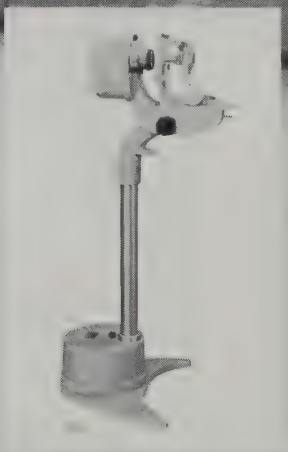
Turned on!



Let a fourth grader look through a microscope at salt crystals, a hair, a fly's wing. From this start the youngster's involvement in his environment will broaden into voracious curiosity. To speed this process Bausch & Lomb has a group of recommended instruments structured to age, grade and curriculum requirements.



Elementary Science Microscopes. Pupils need not know how to "operate" a microscope. These are simplified in design, as student-proof as they can be made, but with optical performance fully up to rigid Bausch & Lomb standards. Three magnifications: 10X, 40X, 100X. Prices start at only $12.00.

Student Stereomicroscope. Viewing with both eyes, normal movement of specimen, up-down and sideways, three dimensional images, all contribute to the value of using the stereomicroscope. For examining opaque objects such as rocks, insects, flower parts and a host of intriguing experiments. 15X magnification. $50.00.

Science Teaching Zoomscope. Students and teachers both acclaim this the ideal tool for observing living specimens. The world of protozoa will furnish material to intrigue the child's exploratory inclinations. He'll thrill as he zooms up and down through the magnification ranges of 25X-100X and 50X-200X. Priced from $55.00.

TriSimplex Microprojector. To make the teaching most effective the entire class should see the specimens on a screen before they look for them in their own microscopes. This Bausch & Lomb classroom projector is serving as the teacher's faithful ally in thousands of classrooms. Should be in yours. Priced from $180.00.

Catalog 31-152 contains full information.
Write for it and our free demonstration offer.

Bausch & Lomb has illuminators especially designed for the microscopes described, at prices from $3.00.

HILLYARD...now after four generations, always a trusted name in floor care products

Can your floor wax "Stand Up" for more than a couple of months?

SUPER HIL-BRITE® DOES!

When you use an ordinary low-cost wax, your floors usually must be recoated every other month at a minimum. Super Hil-Brite—with a wax content of 100% prime No. 1 Carnauba—is normally used only two to three times a year. This means Super Hil-Brite can save you one-half or more of the labor costs involved in the recoating operation—without even figuring the extra cost of stripping when frequent waxings are the custom.

At the same time, Super Hil-Brite is unmatched for beauty. Your floors positively gleam; colors come through clear, bright and true—and stay that way with proper cleaning and occasional buffing.

Ask for a demonstration by a certified Hillyard Maintaineer who serves "On Your Staff—Not Your Payroll." Write, wire or call collect.

a doubly rewarding experience...

can be yours by combining the significant religious experience of a pilgrimage with a truly enjoyable vacation totally arranged for you by Faith Tours.

Oberammergau

...a little village nestled in the Bavarian Alps, south of Munich, Germany, can probably claim title for presenting a world-renowned play with the longest run in history. Every decade for the last 360 years, this pageant of the Last Hours of Christ on Earth has been offered by the villagers in thanksgiving for being spared from the Black Death which swept Europe during the 17th Century.

Faith Tours can provide you with center-stage seats for this unforgettable play's 36th season during the Spring and Summer of 1970...and at the same time make arrangements for all the very necessary and extra details which add to your convenience and enjoyment. For groups and individuals, Faith Tours calls upon years of successful experience in planning **personalized travel programs**—specially designed to satisfy every traveling requirement and desire.

The Oberammergau Passion Play is included in many of Faith Tours' escorted Grand Tours of Europe. Remember, all our tours are led by prominent clergymen.

Call or Write for our beautiful full color folders. You'll find a wide variety of first class escorted tours of 2, 3 and 6 weeks duration, **including EXPO '70,** Osaka, Japan, as just one feature of our fabulous "Around the World" Tours.

An extensive **bus tour program** is also available through Faith Tours—for students and for charitable and fraternal organizations.

Faith Tours has considerable experience in planning **student tours**—on an international level, including "study-abroad" programs.

Rambusch developed the interior design concepts with plans and rendered perspectives; set the colors and painted the interior; engineered the light system, built the new fixtures and renovated the existing lanterns; designed the new sanctuary appointments in marble, walnut and bronze, and made them in their own shops. They were then delivered and installed.

The mensa of the main altar, the ambo and the Bishop's cathedra are made of identical tooled marble to relate the three chief positions of the celebrant during the liturgy.

The mosaic wall behind the Throne of Reservation symbolizes the presence of God with an abstraction of the Burning Bush.

FOR THOSE WHO USE THE OFFICIAL CATHOLIC DIRECTORY

Each year the editors of *The Official Catholic Directory* seek added ways of serving their subscribers. Although the book may never answer every question, this is the conscientious goal; its format, arrangement and editorial features are directed toward the convenience and needs of the public. Nor does this policy stop with the editorial content. The advertisers are accepted with the user of the *Directory* in mind. It is policy that advertisers are *selected* rather than *solicited.* Each advertiser is screened for business integrity and for the usefulness of the product and/or service offered to the potential customer.

* * *

A general recapitulation of 63 categories of statistics of each archdiocese and diocese. Arranged geographically according to the Bureau of the Census divisions, the diocesan, state and national totals are presented.

HELPFUL SUGGESTIONS

A Diocese

The format for each archdiocese and diocese is uniform. The Curia under the bishop is listed first, with various diocesan offices. The parishes of the See city follow, after which are listed the parishes in each city alphabetically arranged according to city. With each church are listed the parochial schools, missions, stations, and cemeteries associated with it. (Parochial cemeteries are identified by [CEM]; interparochial or joint cemeteries by [JC].) Following this appear the institutions of the diocese, following closely the order of their presentation in the General Recapitulation. Postal Zip codes are printed following street addresses. After the institutional listings, there are summaries of the Religious Communities of Men and of Women; a list of diocesan cemeteries, if any; a necrology of clergy, and finally a recapitulation of Statistics.

Hierarchy

If the name of a prelate is known, the best place to look first is in the Alphabetical Clergy List. For information regarding his seniority, consult the Seniority List of Bishops.

Officials

The official Curia appears at the beginning of each archdiocese and diocese. Offices are listed alphabetically.

Places

The cities and towns are arranged in alphabetical order, followed by the abbreviation of the archdiocese or diocese where located. A key to the diocesan abbreviations is found immediately preceding the Alphabetical List of Places.

Statistics

The recapitulation at the end of each archdiocese and diocese gives the number of institutions and the number of people attending them. State and national totals are found on an open-out chart located toward the rear of the *Directory*.

Diocesan Priests

If the priest's name is known, consult the Alphabetical Clergy List. If a number in brackets appears, it denotes a church bearing that number. The numbers are used for the larger cities having ten or more churches. If the city or town is known, consult the Alphabetical List of Places. This gives the diocese. The first priest's name in a parish listing is that of the pastor unless otherwise indicated.

Religious Order Priests

Those priests belonging to Religious Orders are listed at the churches and institutions they serve. A list of the Religious Communities of Men active in a diocese, and the churches and institutions at which they are stationed appears at the end of each Diocese. The Index to Religious Orders presents more detailed and comprehensive information concerning the Orders.

Brothers

Immediately following the Statistics on Religious Orders of Priests is found the Orders of Brothers who are independent of Religious Orders of Priests. Those brothers who belong to Religious Orders of Priests are listed with their Order in the section devoted to Religious Orders of Priests.

Sisters

General information concerning Religious Orders of Women is found in the Statistics of Religious Orders section. Here is found the number of sisters, postulants, novices, etc. of each province, the number and kind of institutions they maintain or serve, and dioceses in which they are represented. Particular information is found at the end of each diocesan listing.

PART I

Hierarchy of the Catholic Church

The Catholic Hierarchy, or the governing body of the Catholic Church, consists of His Holiness the Supreme Pontiff, assisted by the Sacred College of Cardinals and by several Sacred Congregations, or permanent ecclesiastical committees, of which the Cardinals are the chief members; by the Patriarchs, Archbishops and Bishops; by the Apostolic Nuncios and Delegates, Vicars and Prefects, and by certain Abbots and other Prelates.

HIS HOLINESS THE POPE

BISHOP OF ROME AND VICAR OF JESUS CHRIST,
SUCCESSOR OF ST. PETER, PRINCE OF THE APOSTLES,
SUPREME PONTIFF OF THE UNIVERSAL CHURCH.
PATRIARCH OF THE WEST, PRIMATE OF ITALY.
ARCHBISHOP AND METROPOLITAN OF THE ROMAN PROVINCE,
SOVEREIGN OF VATICAN CITY.

PAUL VI

GIOVANNI BATTISTA MONTINI

NOW GLORIOUSLY REIGNING

The direct successor of St. Peter was born in Concesio, Diocese of Brescia, Sept. 26, 1897; ordained Priest, May 29, 1920; appointed Substitute of the Secretariat of State, Dec. 1937; named Pro-Secretary of State for Ordinary Affairs, 1952; appointed Archbishop of Milan, Nov. 1, 1954. Created and proclaimed Cardinal, Dec. 15, 1958. Elected Pope, June 21, 1963; crowned, June 30, 1963.

VATICAN CITY

By virtue of the concordat signed on February 11, 1929, the Feast of Our Lady of Lourdes, ratifications of which were exchanged on June 7, the Feast of the Sacred Heart, the complete and independent authority of the Pope to rule in his own possessions was recognized by the state. The territorial possessions of the Holy Father are called Vatican City and within its limits the Sovereign Pontiff's authority is recognized as supreme.

The Sovereign of this small state is His Holiness, the Pope.

The government presently is administered by a Pontifical Commission of which His Eminence A. G. Cardinal Cicognani is President.

The Apostolic Nuncio to Italy is Most Rev. Romolo Carboni, Titular Archbishop of Sidone.

THE SACRED COLLEGE OF CARDINALS

The Cardinals, when duly constituted and proclaimed, form the Supreme Council or Senate of the Church. They are advisers of the Supreme Pontiff, and at the death of the Pontiff they elect his successor.

There are three orders of Cardinals, *Cardinal-Bishops, Cardinal-Priests,* and *Cardinal-Deacons;* but these orders are distinct from those of the Hierarchy. The present Cardinal Priests and Deacons are Archbishops or Bishops. The Sacred College of Cardinals, when complete ordinarily consists of 70 members—6 Cardinal Bishops, 50 Cardinal Priests and 14 Cardinal Deacons (Cf. Canon 231§1), but the late Pontiff, Pope John XXIII and the Reigning Pontiff, Pope Paul VI named a number in excess of this total.

The Cardinal Bishops (except the Patriarch-Cardinals of the Oriental Rites), have as Titular Sees the Suburban Sees of Rome, which are: *Porto and Santa Rufina, Albano, Palestrina, Sabina, Frascati, Velletri.* The Cardinal Dean has united to his See the See of *Ostia.* The Cardinal Priests take their title from the "Titular Churches" to which they are appointed: the Cardinal Deacons are appointed to other Churches called "Deaconies." The first Cardinal Bishop is *Dean;* the first Cardinal Priest is *First Priest;* and the first Cardinal Deacon is *First Deacon* of the Sacred College. The Dean has the right of consecrating, and the First Deacon the right of proclaiming and crowning a new Pope. On the death of the Pontiff, the Cardinal *Camerlengo* has the Administration of the affairs of the Holy See.

(The "creation" of a Cardinal sometimes precedes, even by several years, the "publication and proclamation." The Cardinal is then said to be "reserved *in pectore,*" and when proclaimed, he takes the precedence according to date of creation.)

It fosters relations with these departments, with the Bishops, with the Legates of the Holy See, with civil governments and their representatives, and with private persons but without prejudice to the Council for the Public Affairs of the Church and, as occasion requires, in accord with it.

This Sacred Congregation reproves doctrines opposed to the principles of the faith after the interested Bishops of a region have been heard. It studies the books referred to it and, if necessary, reproves them after the author has been heard and has had an opportunity to defend himself and after the Ordinary has been forewarned. It also examines all that concerns "the privilege of the faith" both in law and in fact. It is competent to pass judgment on errors about the faith according to the norms of an ordinary process. It safeguards the dignity of the sacrament of Penance. The Sacred Congregation proceeds administratively or judicially according to the nature of the question to be treated.

It treats all questions which pertain either to persons, or to discipline, or to the rites of the Oriental Churches, even if they are mixed in that by the nature of the thing or of persons they involve Latins. Territories in which a major part of the Christians belong to Oriental rites are subject only to this Congregation. Even in Latin territories it carefully supervises the faithful of Oriental rites and provides as much as possible for their spiritual needs even by the establishment of their own hierarchy if the number of faithful and circumstances require this.

National Conference of Catholic Bishops

Address—*1312 Massachusetts avenue, N.W., Washington, D. C., 20005.* ✆ 202-659-6600.

The National Conference of Catholic Bishops (NCCB) is a canonical entity operating in accordance with the Conciliar Decree, *Christus Dominus*. Its purpose is to foster the Church's mission to mankind by providing the Bishops of this country with an opportunity to exchange views and insights of prudence and experience and to exercise in a joint manner their pastoral office. The NCCB is the successor to the Annual Meeting of the Bishops of the United States, approved in the brief "Communes" issued by Pope Benedict XV, April 10, 1919 and in a special letter of Pius XI issued on August 10, 1927. The present NCCB statutes with some slight ammendment are those originally approved by the Sacred Consistorial Congregation in a decree issued on June 22, 1922.

The National Conference of Catholic Bishops is composed of every Bishop, residential or titular, who serves or has served the Church in the United States, its territories or possessions. Each Bishop has an active and passive voice in the Conference. Under certain conditions, enunciated in conciliar legislation, the National Conference of Catholic Bishops can initiate actions that are juridically binding on all the bishops of the country.

The National Conference of Catholic Bishops is presided over by a president who is elected by the general membership. Other officers of the organization are a vice president, secretary, treasurer and general secretary. The organization functions through thirty-two different bishops' committees. The National Conference of Catholic Bishops is a distinct entity from the United States Catholic Conference. Its relationship to the USCC is that of a sponsoring organization.

Catholic Relief Services—U.S. Catholic Conference: This official agency of the American hierarchy for relief abroad was established in January, 1943, as the War Relief Services, NCWC to administer a program of assistance to war victims. It has distributed such aid to more than 67 foreign countries, working through its own representatives stationed in these countries and through the indigenous national Catholic and non-Catholic welfare agencies and in cooperation with many governmental and inter-governmental agencies.

The ever-changing course of events in the intervening years since the end of World War II necessitated the expansion of the American Bishops' Agency far beyond that of the emergency character for which it was established.

In the last two years there has been an extension of help to a number of countries in South America to aid a number of newly-organized voluntary agencies in that area to meet needs which heretofore have gone unprovided. Africa where the newly-stirred spirit of independence has been accompanied by havoc, destruction, and disorganization, has also received aid as has war-torn Vietnam. Funds and supplies for the operation of Catholic Relief Services—USCC are collected annually in all the parishes of the United States in the Bishops' Relief Fund Appeal and the Bishops Thanksgiving Clothing Collection. Headquarters are at 350 Fifth avenue, New York, N. Y., 10001. Most Rev. EDWARD E. SWANSTROM is Executive Director. Rt. Rev. Msgr. ANDREW P. LANDI, Asst.

Conference of Bishops' Representatives for Health and Hospitals—Membership in this Conference is by direct appointment and authority from the Ordinary of the appointee and gives members an opportunity of maintaining mutually helpful relationships with the Catholic Hospital Association, with one another, and with all religious, professional and governmental organizations in the health and hospital field, through the services of the Bureau of Health and Hospitals of the United States Catholic Conference. Rev. Msgr. HARROLD A. MURRAY, Dir.

The Conference on Catholic Charitable Giving, 366 Fifth avenue, New York, New York, 10001. (1966).

The Committee on Catholic Charitable Giving was approved by the Bishop's Committee of The Society for the Propagation of the Faith in April 1968. The Committee is sponsored by the National Office of The Society for the Propagation of the Faith and it is responsible to the National Director for all activities. The Committee studies and recommends the proper range of rates for gift annuities and the accepted methods of yield computation for life income agreements.
